## **MXENERGY HOLDINGS INC. TO RELEASE EARNINGS FOR THE QUARTER ENDED DECEMBER 31, 2006 AND ISSUE ITS QUARTERLY REPORT.**

**Stamford, CT, February 9, 2007** - MxEnergy Holdings Inc. ("MXenergy") announced today that it will release its financial results for the quarter ended December 31, 2006 on February 13, 2007. MXenergy will hold its earnings conference call at 11:30 a.m. (EST) on Wednesday, February 14, 2007.

The dial-in information for the earnings call is as follows: in the U.S., 888-396-2356; international, 617-847-8709; participant passcode 94611331. A replay of the earnings call will be available under the Investor Relations section of the company website ([www.mxholdings.com](http://www.mxholdings.com)) beginning on February 16, 2007 and will remain available for 30 days.

During the conference call, representatives of MXenergy may discuss and answer questions concerning MXenergy's business and financial matters. The responses to these questions, as well as other matters discussed during the call, may contain information that has not been previously disclosed.

MXenergy will post its quarterly report for the quarter ended December 31, 2006 on the company website ([www.mxholdings.com](http://www.mxholdings.com)) on February 14, 2007. The quarterly report is being furnished pursuant to the Indenture governing the Floating Rate Senior Notes due 2011 (the "Notes") issued by MXenergy. The quarterly report will also be distributed to holders of the Notes. MXenergy also intends to post a current report containing a transcript of the earnings call on the company website on or before February 20, 2007.

Effective with this release, MXenergy will also post on the company website ([www.mxholdings.com](http://www.mxholdings.com)) its Amendment No. 1 to Form S-4 (File No. 333-138425) as filed with the Securities and Exchange Commission on January 17, 2007, which contains the most current published financial information on the company for the quarter ended September 30, 2006.

### **About MXenergy**

MXenergy is one of the fastest growing retail natural gas suppliers in the country, serving approximately 500,000 customers in 30 utility territories in the United States and Canada. Founded in 1999 to provide natural gas and electricity to consumers in deregulated energy markets, MXenergy helps residential customers and small business owners control their energy bills by providing both fixed and variable rate plans.
